

# Conference Agenda Report

EANA presents a workshop on the

# C.A.R.

**WHO:** you (yes, YOU!)

**WHERE:** 1435 Drummond  
YMCA, room 508

**WHEN:** Sunday Feb 24<sup>th</sup>, 11am

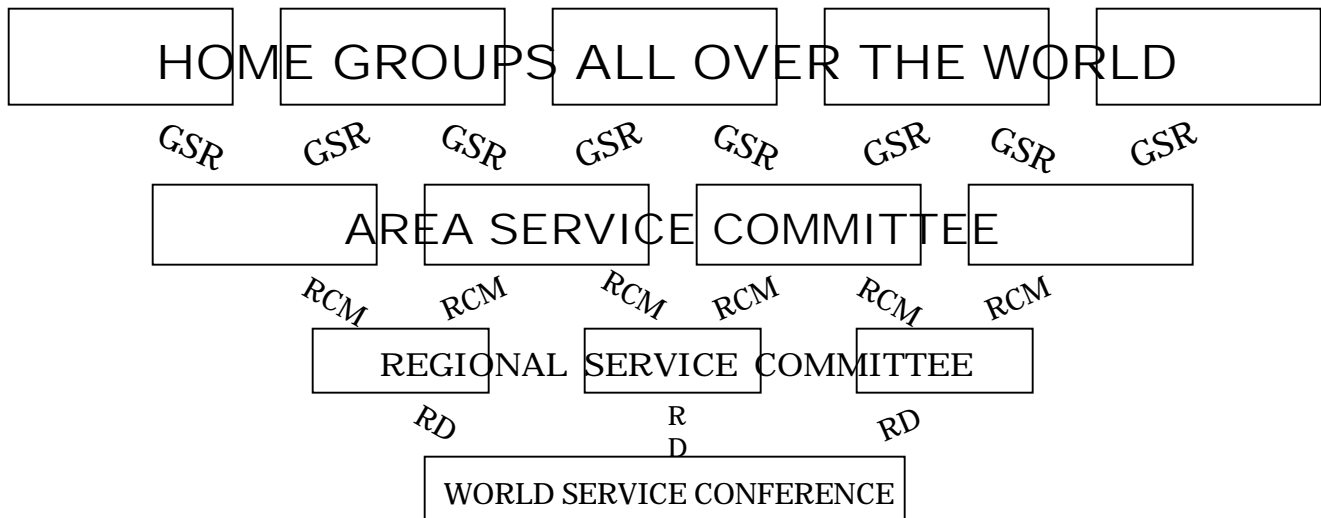

**NO EXPERIENCE NECESSARY ~ NO CLEAN TIME REQUIREMENT**

**WHAT:** The CAR contains world motions, which *everyone in the worldwide NA Fellowship votes on!* The current motions deal with major issues like changing the Basic Text and altering our service structure!

**WHY:** The lives of addicts depend on NA's ability to carry our message and reach everyone who wants to hear it. The **ONLY** way to accomplish this is by obtaining a group conscience of *all* NA members around the world.

## Why should I care?

These decisions will affect *every addict in the world*, from those who are already members to those who have not yet found our rooms.

Each individual member's voice is necessary to reflect a message that *every addict* can relate to. When we participate in this way, we practice our gratitude for our newfound freedom by ensuring that others can find it as well.

## What's in it for me?

Ever feel like what you have to say is not important? Feel like your ideas or suggestions get bulldozed by others? NA service provides for everyone to have a voice, and everyone's voice is equally important.

Do you ever wonder where our literature comes from, or who made up those cool NA slogans? Well, it all happens through people like you, showing up and speaking up. You can be a part of creating NA history!

Plus, there's the free lunch! 😊
